Read the text and answer the questions.

Good morning! My name is Archie Smith, and I am a high school student at the Federal Institute. I am the lead creator of a new app, and my team is very excited about it. This project is a tool that is perfect for students who are always busy. It is my fourth app design. My third app, which is a platform for local volunteers, was a big success and was the winner of a regional award last year.
